

2-,3- or 4 - wire technology
measuring range -50...+200 °C
other temperature ranges on request

L = standard 150 mm single wire

It desired, a longer wire can be grown,
this must be specified seperately.

The dimensions d2 and L2 are then adjusted to the desired wire

Type	A	B
d 1	3,2 ø	6 ø
L 1	freely selectable	freely selectable
d 2	standard 6 ø	standard 6 ø
L 2	standard 30mm	standard 0mm

material 1.4541 / 1.4571
